intAct Race-Power

Starter batteries | filled and charged
 Completely maintenance free | calcium/calcium technology

No compromise for the new intAct Race-Power series either in terms of durability or in terms of the price-performance ratio. intAct Race-Power batteries are completely maintenance-free, high-performance accumulators manufactured on the basis of the new calcium/calcium grid expanded metal technology. The use of eight different case

sizes allows the replacement of up to 90 % of all common batteries. This has been made possible by constructing a battery with an improved performance of up to 30 % above the EN standard. These batteries are used for all common starter applications.

Battery	Volt	Capacity	Cold cranking amper	Purpose	Length mm	Width mm	Height mm	Position of terminal	Terminal	Hold down
RP45	12	45 AH (c20)	410 A (EN)	53646, 53653, 54317, 54324, 54459, 54519	207	175	175	0	1	Universal
RP50	12	50 AH (c20)	520 A (EN)	54459, 55010	207	175	190	0	1	Universal
RP60	12	60 AH (c20)	540 A (EN)	54519, 55046, 55427, 55559, 56077, 56111, 56219	242	175	175	0	1	Universal
RP65	12	65 AH (c20)	610 A (EN)	55559, 56219	242	175	190	0	1	Universal
RP75	12	75 AH (c20)	700 A (EN)	56318, 56420, 56530, 56638, 57114, 57113, 57412	278	175	175	0	1	Universal

RP80	12	80 AH (c20)	720 A (EN)	57539, 58035	315	175	175	0	1	Universal
RP100	12	100 AH (c20)	900 A (EN)	58515, 58827, 58838, 59219, 60038, 60044	353	175	190	0	1	Universal

Product line:	intAct Race-Power, 12 V starter batteries
Model:	Calcium/calcium expanded metal technology, completely sealed and maintenance free, double cover
Status:	GUG = filled and charged
Quality:	OEM quality
Storage life:	Storage life up to nine months
Charging voltage:	Approved for charging voltage of up to 14.8 V

Magic eye:	Charging status control
Cold start capacity:	Higher cold start capacity in amps
Accessories:	Incl. cover strip adapter
Properties:	Eight battery types cover 90 % of all passenger car batteries
Use:	Passenger cars – trucks – agricultural machinery – tractors – buses – construction equipment
